- 1.2 In compliance with Article 23, the Board of Directors can fill with unanimity a vacancy created by the departure of one or more of the incumbents. They can opt to organize a nomination and balloting procedure.
- 1.3 In compliance with Article 21 of the CENTR Articles of Association, the Board of Directors must comprise no less than three and no more than five persons. From amongst the Board of Directors, a Chairman and Treasurer must be appointed by the AGM.
- 1.4 Directors are appointed for a period of two years and may be re-appointed for a further period of two years following the expiry of their first term of office. Thereafter, they shall not be eligible for re-appointment for a two year period.
- 1.5 All Full Members of CENTR whose membership fee for the current year has been received on the CENTR accounts are entitled to nominate, second nominations and vote. 2 Nomination Procedure

2.1 The Secretariat will announce forthcoming elections and call for nominations at least 30 days in advance of the elections. Nominations must be received, and seconded by another Full Member, no later than one week prior to the election date.

Candidates who have been nominated and seconded must confirm to the Secretariat that they wish to accept the nomination. As the Chairman and Treasurer are appointed from those serving on the Board of Directors, candidates may wish to advise the electorate at this time if they do not wish to be considered for either of the two offices.

3 Balloting Procedure

3.1 All Full Members whose membership fee has been received on the CENTR accounts will be able to cast a vote.

3.2 The selection of the Directors can take place in the following ways:

1. Electronically.

The Board of Directors can decide to hold the elections electronically.

At a date announced at least 30 days in advance the Secretariat sends out the list of candidates via email and publishes the list on the Member's section of the CENTR website. Members will have a period of 5 working days to cast their vote electronically. Upon receipt of a Member's vote the Secretariat (or if the Board of Directors decides so - the third party responsible for receiving and counting the votes) will send a confirmation of receipt to the voting Member.

2. During the AGM

Selection of the Directors shall take place during the AGM by means of a secret ballot and, if he considers it necessary, the Chairman shall appoint tellers to count the ballot papers.

A Full Member who is not able to send its representative may appoint a temporary representative from amongst those persons attending the meeting who may vote on behalf of that member in the election procedure. The appointment of this representative must be confirmed in a letter to the Chairman, signed by an authorised official of the registry. This must be received by the Secretariat in advance of the AGM. Alternatively, it may be brought by the appointee to the AGM and delivered to the Chairman prior to commencement of the meeting.

3.3 The votes will be counted according to the Following system

- Voters vote on as many candidates as there are seats (number of open seats = x)
- The (x) candidates with the (x) highest number of votes win the election - In case of a tie for the (x)th seat, there will be a second round with the tying candidates. In case this round also ends in a tie the candidate will be elected by drawing lots

As revised on 2020 03 03

3.4 If no candidates are nominated the remaining Directors (i.e. those whose terms of office are not completed) will constitute the full Board of Directors provided there are at least three members. If the failure to nominate or elect new candidates results in there being less than three serving members, those members remaining on the Board of Directors may appoint new members, in accordance with Article 23 to ensure compliance with Article 21 of the Articles of Association.

4. Selecting a Chairman and a Treasurer

4.1 Once the results of the ballots for Board of Directors seats are announced, the AGM will be asked to select a Chairman and/or Treasurer from amongst the Board of Directors members, if the term of office for either of the existing office holders has expired. Any Board of Directors member who does not wish to be considered for either office should declare so prior to a vote being taken.

4.2 The term of office for Chairman and Treasurer commences at the end of the meeting at which they are appointed and terminates when the appointee's current term as a Board of Directors member terminates.

4.3 If the office is vacant, the General Assembly will first select a Chairman by means of a secret ballot of Full Members using the voting system set out under put 3.3

4.4 If the office is vacant, a Treasurer will then be elected from the remaining Board of Directors members who wish to stand, using the same procedures.

5. Appointing the Selected Officials

At the AGM following the electronically held elections the current Chairman will announce the results and call for a resolution appointing the Board of Directors, Chairman and Treasurer in accordance with the results of the ballot. In accordance with CENTR
